Girl, please come back from the place that you hide,
How about tonight?
I wanna see you let's get out of here.

Why won't you come out,
Of hiding, lets get this straight.
Is it the passion that's been lacking,
What can we do?
I need some medicine,
Help me get inside of you.

We are nothing but sinking ships,
I can't save you 'cause I'm falling into the ground.
[x2]

Girl, please come back from the place that you hide,
How about tonight?
I wanna see you let's get out of here.
Take back, take back my heart,
I don't mind.
'Cause if you're not mine,
I see no point in even having one.

Take a look at me,
I'm the one who's sinking and,
Falling faster,
In a matter,
Of seconds.

Break me,
You'll never, you'll never break me down.
[x2]

Girl, please come back from the place that you hide,
How about tonight?
I wanna see you let's get out of here.
Take back, take back my heart,
I don't mind.
'Cause if you're not mine,
I see no point in even having one.

Take back, take back my heart,
I don't mind.
[x4]

Take back, take back my heart,
I don't mind.
(Why won't you stop this hiding?)
(Why won't you come out baby?)
[Repeat until the end]
