"The Oath"

Three can keep a secret,
if two of them are dead,
I'll bury all the pages,
to keep my words unsaid.

Through thick or thin, I'm holding it.
Loose lips sink our ships.
Lips are sewn shut

Hush baby don't tell,
lets keep this inside.
I got a secret,
I wont let it out this time.
Your grave gets deeper,
all the secrets you hide,
so let it out let it out,
but no one will hear your cries.

I'll watch them fall,
come crawling out your mouth.
I want to save myself,
for the last few minutes.

I'll tear this place apart with every intention,
of burning every bridge I ever stepped foot on.

Hush baby don't tell,
lets keep this inside.
I got a secret,
I wont let it out this time.
Your grave gets deeper,
all the secrets you hide,
so let it out let it out,
but no one will hear your cries.

I have these demons,
I keep them inside,
believe what you want,
but its probably a lie.
one makes it two,
two makes it three,

three makes a crowd so your coming with me.

I'm sinking faster,
and its hard for me to breath.
My whole world crumbles before me,
as I'm left here on my knee's.
