Hebrew lyrics (1)

May the lord eternal save his troubled child
As he passes through rain and storm
Behind the walls of this hallowed ark of wood
Our prophets found a revelation, which they have
understood
Onto the lands of fearful heaven comes a flood erasing
all
Landing as if a ruthless bird of prey to crush all human
souls

The lighting colors the sky with flames of light
Hell shines above us and the fires bright
Erasing the works of the common man, all we hold
dear is set alight

Hebrew lyrics (2)

Shattered glass reflects this shattered world barren is
the landscape here
Thunder roars as a lion caged, heat that comes like
waves of fear
Oceans rise and rage as we watch the world powers fall
Redeeming their sinful ways with their souls
May the truth fill their hearts, let them see the light,
when they embrace their gods

Hebrew lyrics (3)

Seas cover the works of timeless art
That once brought joy to human hearts
In halls of infamy this day shall live
Like the burning of rome and betrayal of Eve
Like the fire raised at the witches' stakes

Return all earthly possessions
As ashes you return to earth, child of God, to face the
divine lord who sits upon the throne - eyes sad
Go in peace and thy faith
Evolve thy self and lose all hate
So a heaven you may create

In this world of sorrowful ways
None shall live to see the light of day
Some may survive to tell this tale
If their belief shall conquer this gale
Damnation is the punishment bestowed
El Norra Alila the vengeful God
