She was looking at me
In a wonderful way
And she said it to me
Like she had something to say
And it made me think
I'm not better off dead
If you want to know
Here's what she said

Chorus:

I wanna be your girlfriend
I wanna be your girlfriend
I wanna be your girlfriend

With a white towel
Wrapped around her head
She tended to my aching heart
And not a word was said
And it made me think
I'm not better of dead
If you want to know
Here;s what she said

Chorus:

I wanna be your girlfriend
I wanna be your girlfriend
I wanna be your girlfriend

I wanna be your girlfriend
I wanna be your girlfriend
I wanna be your girlfriend
