The rainy days without you I've done everything I planned to Now I hope for days below zero Come snow Come home Come snow Come home

Front lights and snow fall A ring and a rung from a phone call By christmas you'll be home Come snow Come home Come snow Come home

I don't wanna know what it's like to spend the holidays on my own I don't wanna hear another christmas song about love when I'm on my own Come snow Come home Come snow Come home

The rainy days without you I've done everything I planned to Now I hope for days below zero Come snow Come home Come snow Come home

I don't wanna know what it's like to spend the holidays on my own I don't wanna hear another christmas song about love when I'm on my own Come snow Come home Come snow Come home
