Talking, silence would be best  
Quite, at least it's something else  
We've tried every road that I go  
Now you tell me where to go

And now it's raining  
In this gray town  
Should be surfing  
In your ocean  
Shouldn't be here  
Shouldn't be now  
Cause I'm the dark cloud  
In your sunshine

Strangers, we used to be  
Best friends...

You know everything about me  
I went to your sisters wedding

And now it's raining  
In this gray town  
Should be surfing  
In your ocean  
Shouldn't be here  
Shouldn't be now  
Cause I'm the dark cloud  
In your sunshine

You shouldn't be mine  
I'm the dark cloud, no  
You shouldn't be my love  
You shouldn't be...

And now it's raining  
In this gray town  
Should be surfing  
In your ocean  
Shouldn't be here  
Shouldn't be now  
Cause I'm the dark cloud

In your sunshine

And now it's raining  
In this gray town  
Should be surfing  
In your ocean  
Shouldn't be here  
Shouldn't be now  
Cause I'm the dark cloud  
In your sunshine
