Even if the flowers are gone  
Even when the sun is down things are undone  
Even when lakes are dry  
Even when the lasts leaves are falling down

Love will be around  
Love will be around

Even if the flowers are gone  
Even when the sun is down things are undone  
Even when lakes are dry  
Even when the lasts leaves are falling down

Love will be around  
Love will be around

Even if the plans are broken  
Even if the time is our  
Even if the chance is taken  
Even if the last walls are crumbling down

Love will be around  
Love will be around

I'm walking home to you  
I'm walking home to you

Even if the flowers are gone  
Even when the sun is down things are undone  
Even when lakes are dry  
Even when the lasts leaves are falling down

Love will be around  
Love will be around

I'm walking home to you  
I'm walking home to you  
I'm walking home to you  
I'm walking home to you  
I'm walking home to you
