Let's go to a rave,  
And behave like we're trippin'  
Simply 'cause we're so in love.

Funny hats, shiny pants-  
All we need for some romance,  
Go get dolled-up  
And I'll pick you up.

There's no line for you and me  
'Cause tonight we're V.I.P.  
(I know somebody at the door).

I see that twinkle in your eye,  
You shake that ass and I just die,  
Let's check our coats and move out to the floor.

When I'm dancing with you  
Tomorrow doesn't matter.  
Turn that music up  
'Till the windows start to shatter  
'Cause you're the only one who can get me on my feet.  
And I can't even dance.

Just look at me, Silly Me,  
I'm as happy as can be-  
I got a girl who thinks I rock.

And tomorrow there's no school,  
So lets go drink some more Red Bull,  
And not get home 'till about 6:00.

When I'm dancing with you  
Tomorrow doesn't matter.  
Turn that music up  
'Till the windows start to shatter  
'Cause you're the only one who can get me on my feet.  
And I can't even dance.

Everybody here is staring  
At the outfit that you're wearing-  
(I) Love it when they check you out.

Cover's only twenty bucks,  
And even if the dj sucks  
It's time to turn this mutha out!

When we're together  
There's no tomorrow,  
No Tomorrow.  
When we're together  
There's no one in the world  
but you and me.  
Just you and me.  
You and me
