Darling, you and I know the reason why those summer  
sky is blue  
And we know why birds in the trees sing melodies too  
And why love will grow from the first "hello"  
Until the last "goodbye"

So to sweet romance  
There is just one answer  
You and I

Darling you, you and I, we know the very reason why  
Those sunny summer skies are so blue  
And we know why birds in the trees sing melodies too  
And why love is gonna grow from the first "hello"  
Until the last "goodbye"

So to sweet romance  
There is just one answer  
You and I

And why love will grow from the first "hello"  
'til the last "goodbye"  
So to sweet romance  
There is just one answer  
You and I
