Bangarang! by SET TO STUN

My darling Amanda

I've made up my mind
One way or another I'm putting you into the ground
tonight
You're fighting tooth and nail
But the truth is you'll see hell
Long before anybody even knows you're gone
We're gonna raise some fucking hell!

Never surrender
They're tryna put me six feet under
You called down the thunder now the wolves at your
door
With a setting sun and no where else to run you're
gonna get what's yours!

She's lying face down in her shit blood vomit and piss
I'm feeling sick because I can't quite stomach the bitch
I've fuckin had enough
GET THE FUCK UP
You love your sister? YES!
Than keep you fuckin mouth shut you cunt!

BANGARANG!

Never surrender
They're tryna put me six feet under
You called down the thunder now the wolves at your
door
With a setting sun and no where else to run you're
gonna get what's yours!

So put your hands together for the man of the hour,
He's a bad motherfucker MOVE!

Please allow me to introduce myself
I'm a man of particular taste and wealth
That can't be measured in the increments of gold and
silver

The ladies call me jack the papers call me the ripper
I'm a cold blooded killer call me what you will
But it's a full moon out tonight and bet the bloods
gonna spill
Yeah! Dismember. Disfigure. Disembowel
Mutilate. Decapitate. And put the fuckin bitch in the
ground!

"Where the fuck is Taylor?"

Dismember disembowel mutilate
Decapitating raisin hell!

BANGARANG! BANGARANG!
BANGARANG! YEAH!

FUCK!
