Shadows of loneliness creeping inside
Polarized emptiness, no image to hide
Figures of solitude, drawn to the light
Crawl through the darkness, return from the night
Return from the night

Shadows of loneliness creeping inside
Polarized emptiness, no image to hide
Figures of solitude, drawn to the light
Crawl through the darkness, return from the night

Returning from the night [2x]
Return from the night [2x]
Returning from the night [2x]

Crawl through the darkness
Creeping inside
Crawl through the darkness

Shadows of loneliness
Polarized emptiness
Figures of solitude
Crawl through the darkness
