Watching the final game on TV  
Here comes the pich from Mr. Tom Henke  
The pennant is won, it's 1989  
And there's a new goal that's burning in my mind.  
Got a new glove for my birthday that year  
Combine with a bat and now ya have no fear  
I practiced real good, and ya I practiced real hard  
I made a diamond in my backyard.

Playin' some baseball in 1989  
And I say wow  
It is just baseball, ya I think that I'll do just fine  
But I need help.

I put on my glove and went to second base  
That runner was stealing, umpire called him safe  
So I went to the outfield for the rest of that game  
But we were the champs, we put the others to shame.

George Bell is gone and so is Lloyd Moseby  
The infield is dominated by Manny Lee  
Tony Fernandez, Kelly Gruber, McGriff  
Dave Stieb's on the mound, ya man he's got the gift.

Playin' the outfield in 1991  
And I say wow  
If Mookie Wilson were here ya I think that it might be  
fun  
But I need help.  
Kelly Gruber got a triple play  
Here comes Joe Carter now to save the day  
Roberto Alomar was number one  
And I got some tips from Mr. Juan Guzman  
Patty Hentgen taught me to stay loose  
Jonny Olerud has got the juice  
Devon White, Pat Borders each have two rings  
Two years in a row they were the baseball kings.

They won the World Series in 1992, 93  
And I say wow  
How could all of this nonsense have such a great effect  
on me?

And I say wow  
Collective Bargaining in 1994  
This really sucks  
I've had it with baseball  
I refuse to touch my glove anymore...

Please forgive me  
Cito Gaston  
Cito Gaston  
Please forgive me  
I need help.
