people try to put us down (talkin' bout my generation)
just because we get around (talkin' bout my
generation)
things they do look awful cold (talkin' bout my
generation)
hope i die before i get old (talkin' bout my generation)

my generation...
why don't you all just fade away (talkin' bout my
generation)
don't try to dig what we all say (talkin' bout my
generation)
i'm not tryin' to cause a big sensation (talkin' bout my
generation)
just talkin' bout my generation (talkin' bout my
generation)

[guitar solo]
[horrid bass solo]
[drum solo]

[adam:] one!
[jonny:] two!
[lux:] three!
[oleynik:] FOUR!

why don't you all just fade away (talkin' bout my
generation)
don't try and dig what we all say (talkin' bout my
generation)
i'm not tryin' to cause a big sensation (talkin' bout my
generation)
just talkin' bout my generation (talkin' bout my
generation)
....fucking up my generation....
