oh shelby, i'm looking at you
so tell me what i gotta do
my baby playin' games with my mind
so maybe could you give me the time

we'll sit down in the park so shady
we'll sit around forever 'cause you're my baby
you know i'd do anything for you

i need to understand
i wanna hold your hand downtown on monday morning

why bother, you're just so fine
your father is a friend of mine
the daytime, i'm thinkin' of you
and in the nitetime, baby, oh you are so true

i like you now do you like me?
you have got no time to syke me out
you are my favourite girl in town, yeah

i wanna be your friend
i wanna hold your hand downtown on monday morning

i like you, tell me baby do you feel the same
my raspy voice still calls your name... yeah yeah

oh shelby, so happy so sweet
my shelby, the kind i like to meet
shelby, so happy so sweet
sweet shelby, the kind i like to meet

hold me tight now baby kiss me
i'll give you all i got, you're my sweet tooth, shelby
i don't know one girl who's just like you...

i wanna be your friend
i wanna hold your hand downtown on monday morning
'cause we'll meet downtown on monday morning
you are my girl downtown on monday morning
yeah.....
