oh you were always there for me you helped whenever
you could
you always said you spoiled me rotten i think i turned
out good
we'd watch mr. dressup every day and then we'd watch
cartoons
oh grandma, grandma my only grandma, this goes out
to you.

thanx

you would play piano and i would sing the words to
every Christmas song
you would always tell me that i sang it right even when i
sung it wrong
we would get on the bus and go downtown and watch
the santa claus parade
and then you'd buy me something at the Krezgie's
store oh grandma you're so great.

thanx

oh you are the best grandma in the whole world
i never see you without a smile or your hair all curled
oh i'm so glad that you had my dad and that my
mother and my father had me
there'll never be another one like you as far as i can
see....

thanx

your blueberry jam sandwiches are great and your
cherry cheesecake is the bomb
i love your date cookies with a passion you're just like
my second mom
you taught me table manners and all that crap but now
i'll never get confused
you're always there for me with a big heart, big heart
grandma i love you...

thanx
