Looking past the door and you see out
Smiling on the floor and your in doubt

Trying to find a place in time
A place to call your own
Nobodies left itâ€™s after noon
Thereâ€™s not much more to show

Who are who are?

Carpets peeling Iâ€™m still feeling
The TVâ€™s on but weâ€™re not watching it
A bronze mid sun upon a mountain cliff
Practicing all of the things I quit

Trying to find a place in time
A place to call your own
Nobodies left itâ€™s after noon
Thereâ€™s not much more to show

Who are who are?

Trying to find a place in time
A place to call your own
Nobodies left itâ€™s after noon
Thereâ€™s not much more to show

Who are who are?
