Woke up sat down said no
I donâ€™t wanna go
Woke up sat down said noooo
Woke up sat down said no
I donâ€™t wanna go
Woke up sat down said noooo

If Iâ€™m leaving than whoâ€™s breathing
The air in your lungs, the air in your lungs

You can leave when the nighttime comes
Donâ€™t come around here with your pjâ€™s on
You can leave when the nighttime comes donâ€™t
come around here

If Iâ€™m leaving than whoâ€™s breathing
The air in your lungs, the air in your lungs
