Our God is in the heavens
He does whatever He pleases! (repeat)

Verse 1 (Shai Linne)

The Sovereign LORD, Great I am recognize the name!
He's always on top of His game, a Lion that simply
cannot be tamed
And no, He is not restrained at all- nobody can stop His
reign
So why do the nations rage and all of the peoples plot
in vain?
Their sin and offense is against His excellence and
they're not ashamed
As though He's lacking the power to shackle them now
in the hottest flames
And so they cock and aim- the target? His cosmic reign
That's like a kid with a super soaker trying to conquer
Spain!
Man thinks he's a pugilist, trying to ball up his puny fist
At the LORD, who is ruling this
What's amusing is God just laughs, like "Who is this"?
Stupid kids who persist in foolishness
It's only by God's power you exist
Now you declare war on the LORD
When before you were born, He formed you in the
uterus?
Look- Our God is in the heavens and He does all that
He pleases
He's established His King in Zion and His name is
Jesus!

Chorus

Verse 2 (God's Servant)

Our God is up in the heavens and the seat at His right
hand
That's given to rule and reign is where Jesus the Christ
lands
And He sits preeminent, He originates the right stance

Impossible for Him to fail, no there's not even a slight
chance
Constructor and Conductor, leaving the men amazed
and saying
"What manner of man is this that even the winds and
waves obey Him?"
From His purpose of election, and to birth, to our
perfection
He has ordained it and He decrees and works by His
direction
He never will suffer defeat, He's precisely the Truth
and the Life and the
Way
So even when He died, they never took His life but He
gave His life away
To see when they crucified Him, nobody had imagined
it
Not only was a part of the plan to save but the climax of
it
He's gonna get glory, we're created to be His
instruments
His reign's inexhaustible- His rule is truly infinite

Chorus

Verse 3 (Shai Linne)

The perfections of God are not affected at all by
human opinion
Everything in the universe is under His control and His
rule and dominion
And there's nothing in the world that could ever could
come to pass at last
Unless He first decreed it
If we dive in His word we can read it, see all of His
purposes completed
And as hard as it seems, the heart of the king is a
stream of water in His
Hands
With discernment you'll see God turns it where He's
determined according to
His plans
You gotta get a focused lens to truly understand where
His control extends
(Everywhere)
And I know that this offends, but the truth is the
grossest sins serve His
Ultimate ends
You might not hear it from your favorite pastor
But He made the wicked for the day of disaster
Sinners unacquainted with the way of the Master

We have to explain what is plain in the chapters
He's sovereign over creation and sovereign over
salvation
Including reprobation, regeneration
I wouldn't want to say this if it wasn't based in His
revelation
It's kind of stunning, men ignore His throne, the
creature's lost it
The time is coming when the Lord alone will be exalted

Chorus
