Somebody came into my house
and now i see him walking
that somedy gets so high
i think i hear him talking

Fonk Me!

Somebody came into my house
and now i see him walking
that somedy gets so high
i think i hear him talking

Fonk Me !

Let me introduce myself
nice to meet you mister dance
and if you wanna make me fly
let me now in a good time
so you came all alone
nice to know you mister gone
and if you wanna blow my mind
let me now in a good time
