You're living in a lie, don't you hide, this is bio-
mecanica deep inside
"what you have ? you know what I also got ! "
Simple bot : think a lot before you act and you talk
Simple man , you say that you do what you can
Punk I don't know what you Â« can Â» but I am what I
am
Won't you fucking understand yo, I am what I am
I'm a girl , I'm a man , kindo mix
No offense , but if you want it to make sense, you've
got to be smarter 'baba' !

Try me if you wanna
It's so easy : Try me ! If you wanna
Kill me if you don't like me no more
Just kill me I'm so easy

A high correction and love way connection
A high correction and love way connection
A last correction, the deepa way connection,
A last connection, the deepa way
Oh LIE LIE !

I'm 'prime time' ! I wanna spend my life time being a
loser-superman
Don't you wanna be a man
This is how we do, this is how we do
this is how we do , this is how we kill stars now !

This is how we do to kill stars
This is how we do to...

Try me if you wanna
It's so easy : Try me ! If you wanna
Kill me if you don't like me no more
Just kill me I'm so easy

A high correction and love way connection
A high correction and love way connection
A last connection, the deepa way
Oh LIE LIE !

(This is how we do... kill a star)

This is how we do to kill stars, this is how we do to kill
stars (This is how we do... kill a star)

A high correction and love way connection

A high correction and love way connection

A last correction, the deepa way connection,

A last connection, the deepa way

Oh LIE LIE !
