Saturday night in the dancing house, I say

Hey oh, yeah, hey oh

A storming boy staring at my ass, I say

Yeah, yeah , hey oh yo

You're the one I like

I wanna share my thoughts tonight

Meat-Mama you're my kind

Give me a part of your precious time

Hey you're the one I like

I wanna share your love tonight

I wanna smoke your special tang

Let's bang

You'd better do your dance

Hey little chimp' take chance

You'd better move your butt

You gotta show me what you've got

Come on shake, little man

Jump off the line

You gotta shake that ass

If you wanna have mine

This is the perfect fight

On a Saturday night

You wanna hang, wanna hang

So do the dance and bang

Do the dance babe till I lose cabeza

Hey oh, yeah

Power my ass with Travolta styła

Yeah yeah, yeah

I wanna get naughty and I wanna daunt

Hey oh, yeah  
The boy bailando is the one I want  
Hey oh, yeah yeah chica chica

Hey you're the one I like  
I wanna share your love tonight  
I wanna smoke your special tang  
Let's bang bang

You'd better do your dance  
Hey little chimp' take chance  
You'd better move your butt  
You gotta show me what you've got

Come on shake, little man  
Jump off the line  
You gotta shake that ass  
If you wanna have mine

This is the perfect fight  
On a Saturday night  
You wanna hang, wanna hang  
So do the dance and bang

Hey you chic, chica  
You wanna hang up with the chimp'  
So bring your ass to the table  
You wanna hang wanna hang so do the dance and bang
