The crazy girl I know  
She's a C3PO  
Talkin' like a robo'  
I don't understand  
I thought she was a blond  
Too bad I'm movin' on  
Don't want a chica meca complicated  
See me walkin' like a monkey  
Talkin' like a ouisti  
quittin' and let go

You can't stop the bot  
can't stop the bot  
(x 4)  
Diggi-diggin' on and on can't stop the bot  
diggin' on and on can't stop the bot  
(x 3) yo

The city symphony (ahah)  
So far I want to be (to be)  
Those crazy bots I know  
are so addictive  
Silly locos on the streets  
They're feelin' uncomplete with  
version 1.0

Now I wanna celebrate the flaws  
and make my baby love  
with nothing but some love  
I wanna...  
Love I  
We can't...

You can't stop the bot  
can't stop the bot  
(x 4)  
Diggi-diggin' on and on can't stop the bot  
diggin' on and on can't stop the bot  
(x 3) yo

See me walkin' like a monkey

Talkin' like a ouisti  
quittin' and let go  
Now I wanna celebrate the flaws  
and make my baby love  
with nothing but some love  
I wanna...

You can't stop the bot  
can't stop the bot  
(x 4)  
Diggi-diggin' on and on can't stop the bot  
diggin' on and on can't stop the bot  
(x 3) yo
