We are growing

Bom-bom bom-bom-bom bom-bom bom-bom  
(Background)

Ayeyeyeyeye, oyo  
(Bayete, Inkosi)

Ayeyeyeyeye, oyo  
(Bayete, Inkosi)

Ayoyo, oh, oyo  
(Bayete, Inkosi)

Be a man of greatness now  
A man so tall, a man so kind  
Be a man of wisdom now  
A man of mind, a man of blind

Be a man of kindness now  
A man so big and strong in mind  
Be a man so humble now  
A man of man, now let it shine

This is what you are  
This is how it was planned now  
This is what to be  
Every kind of man now

This is what to say  
With the kind of meaning  
This is what to feel  
With the kind of feeling

We are growing  
Growing higher and higher  
We are growing  
Growing higher and higher

He is growing  
Growing higher and higher

We are growing  
Growing higher and higher

Hear the children, hear the children  
They are talking to you  
Hear the wind blow, hear the wind blow  
It is blowing for you

See the grass grow, see the grass grow  
It whispers his name  
See the fire blow, see the fire blow  
His heart's in the flame

Bayete, Inkosi  
Bayete, Inkosi  
Bayete, Inkosi  
Bayete, Inkosi

We are growing  
Growing higher and higher  
We are growing  
Growing higher and higher

He is growing  
Growing higher and higher  
We are growing  
Growing higher and higher

Hear the children, hear the children  
They are talking to you  
Hear the wind blow, hear the wind blow  
It is blowing for you

See the grass grow, see the grass grow  
It whispers his name  
See the fire blow, see the fire blow  
His heart in the flame

Bayete, Inkosi  
Bayete, Inkosi

We are growing  
Growing higher and higher  
We are growing  
Growing higher and higher

He is growing  
Growing higher and higher  
We are growing  
Growing higher and higher

Bayete, Inkosi  
Bayete, Inkosi

We are growing  
Growing higher and higher  
We are growing  
Growing higher and higher

We are growing  
Growing higher and higher  
We are growing  
Growing higher and higher

(Growing
