Verse 1

You see it on the news
Prada Bags , Skinny Jeans
In the magazines
all the lies
dui's
not that camera shy
pay the price , for your fame
money comes and goes
your life is just another game

Chorus

You'd Be Shameless To Be Famous
You'd be Shameless
You'd Be Shameless To Be Famous
and i can't wait around for you
Won't get my sympathy
give away your heart for free
as long as it gets you
as long as it gets you
in magazines

Verse 2

You Lost your dignity
in the clubs
out at night
you lost who
you once were
its to late
you cant go back
cover up your tears
makeup is your disguise
money comes and goes
your life is just another game
that little girl she wants to be like you
she thinks its how
she will get by at school
your not immortal and your fading fast
how did you ever think
that this could last

now everybody knows that

Chorus

Bridge

as long as it gets you in magazines
can't you see 4x

moving on to your next scene
are you living the big dream
living the big dream 2x
Chorus
