You don't smile as much as you used to  
Feel so ordinary have you fight it through you?  
Seems to me there's a screw loose  
I don't know when it's gonna drop  
The words you speak may resent me  
But the past ties knots that are binding us through  
All that we ever dreamed and feared could be lost

I followed along this green light  
Now amber holds me stationary  
Soon I'll be seeing red and then it's gotta stop

We are, oh, oh, we are we are oh falling apart oh, oh  
We're falling apart  
So fast, oh, oh  
We're falling apart so fast  
And I can barely catch my feet  
Your love has lost beauty  
Your love has lost beauty  
Your love has lost beauty  
It's lost beauty

Are you happy like you claim to be?  
Just don't seem very happy to me  
Did you forget to say well I'm in this all and all  
Oh did I forget to inform you  
I've seen and felt my new found glory  
Gold's in the wishing well from the pennies we once  
dropped

woah, woah, woah ,woah  
Soon I'll be seeing red and then it's gotta stop

We are, oh, oh, we are we are oh falling apart oh, oh  
We're falling apart  
So fast, oh, oh  
We're falling apart so fast  
And I can barely catch my feet  
Your love has lost beauty  
Your love has lost beauty  
Your love has lost beauty  
It's lost beauty

It makes me sick  
It made me ill  
I haven't been right, don't understand still  
What hurts me now  
Will kill me when you're over this  
Now I wish for back

I feel sick yeah, I feel ill  
I'm not right  
You don't understand still  
What hurts me now will kill me when you're over this  
While I wish for back then  
I, I wish for back then (adlib)

We are, oh, oh, we are we are oh falling apart oh, oh  
We're falling apart  
So fast, oh, oh  
We're falling apart so fast  
And I can barely catch my feet  
Your love has lost beauty  
Your love has lost beauty  
Your love has lost beauty  
It's lost beauty

Your love has lost beauty  
Your love has lost beauty (adlib)  
It's lost beauty
