Lord I'm Addicted to your love. Lord I'm
Addicted to your word. Lord I'm Addicted to your
touch. Lord I'm Addicted to your grace.

I got the shakes and my heartaches as I wait for you to
answer my prayer. I got the quakes I'm going
through withdrawals; because I know I can't live
without you. I am addicted to your love the way you
touch me your word that breathes life into my soul. See
I'm addicted to you I'm addicted to you.

If I could shoot you in my veins, sniff you through my
nose, feel your blood running through my soul. If I
could walk with you, talk with you. I be in you and you
be in me. If I could just touch the hem of your garment I
know that that I could fly. I'd be free because
I'm addicted to you.

I've searched every corner I've looked and not
found, feeling for something no hope around. One hit
from the master could turn it all around, 'Cause
when it's you and me Jesus. I feel so complete
when I'm here at your feet. When your spirit covers
me, your presence is all I need is just you and me
Jesus. See I need you. Longing, falling, obsessing not
regressing, Yearning and burning, thirsting and aching
and painfully waiting, I'm captive but elective,
imprisoned to praised, Blessed and amazed how you
changed my nights to day.

I can't live, I can't breathe, I can't see, I
can't be, I can't walk, I can't talk, because
I'm nothing without you Lord.

When the nightfall's I pray and pause, and then you
come to take my call, you rescue me wipe away my
tears. I love the way you that you calm my fears.
