Amanda Intro:

I might be drastic, but I think I'm fantastic
I show it off. I'm always on.

Verse 1:

Silicone
Tiny waist
Red carpet lips
Porcelain face
A mannequin
She's got it all
She's built for men
A blow up doll

PreChorus:

I might be drastic but I'm more than plastic
I show it off I never mask it
Does she see me or 600ccs?
See me, see me

Chorus:

I wish I were
Amanda Lepore, Amanda Lepore
I wish I were
Amanda Lepore, Amanda Lepore
Tonight tonight
Tonight tonight
I wish I were
Amanda Lepore, Amanda Lepore

Verse 1:

She's extreme
Hollywood
I'd take her place
If I could
What you see
Is what you get
Midnight monroe
No need to dress

PreChorus:

I might be drastic but I'm more than plastic

I show it off I never mask it
Does she see me or 600ccs?
See me, see me

Chorus:

I wish I were
Amanda Lepore, Amanda Lepore
I wish I were
Amanda Lepore, Amanda Lepore
Tonight tonight
Tonight tonight
I wish I were
Amanda Lepore, Amanda Lepore

Bridge:

Everything next to her seems like a flaw
Yes I'm perfect but even perfect has a heart
Her beauty blinds to the point that I can't look away
Everything is beautiful in it's own way
I wish I were
Amanda Lepore, Amanda Lepore
Tonight tonight
Tonight tonight

Chorus:

I wish I were
Amanda Lepore, Amanda Lepore
I wish I were
Amanda Lepore, Amanda Lepore
Tonight tonight
Tonight tonight
I wish I were
Amanda Lepore, Amanda Lepore
I wish I were
Amanda Lepore, Amanda Lepore
I wish I were
Amanda Lepore, Amanda Lepore
