Uh, uh, uh
I was a child, I wasn't worried,
Tender and dark waiting for love I was late
Down all the way and I...
When you were myself
The world was shitty then, OK
Do never run and look to you
Telling me...
Tumbling right into close
It's not such a slim, thought you should know
Oh it's just each other
Standing in my head

In line, in line, in line
In line, in line, in line
In line, in line, in line
In line, in line, in line
In line, in line, in line
In line, in line, in line
Uh, uh, uh
Just standing in line
Now it's coming through
It's coming through
It's coming through
It's coming through
Even in line I wait for a lover, don't you?
