there he goes
he finally closed the door
i turn the lock feeling more
confused than before

what gives
i thought that you would love more
now you're a coward, sure
then he rains, look in his eyes
he loves you

well, well
i am bad
well, well, hell
i am bad

he's smart
he leaves me wanting more
knowing that i gave less
and knowing why

time, time is what i would need
full of myself, indeed
just walk away, surprised
he loved you

well, well
i am bad
well, well, hell
i am bad
at loving

trust, you know that i trusted you
but i could not let you do
to just fall in

try, i wanted to try for you
wanted to die for you
dramatic things, the lies
i loved you

well, well

i am bad
well, well, hell
i am bad
at loving you

surprise
just look in my eyes
