The hopeless youth  
That we once knew

Your lies disgust me  
With thought of our bitter past

END

The end

Never forget  
I'll never return to these day  
Never regret  
I will never change my ways  
Never forget

This is your calling  
Your time is here  
There is no remorse  
The end is near

What we make of today  
Will define who we become

Holding the dreams of yesterday  
Free yourself from the sorrow  
Live for hope of better days

The hopeless youth  
That we once knew  
The hopeless youth  
That we once knew
