Yeah, yeah, yeah
Alright, alright, listen

Tell me, how did I get in a situation like this?
Where I'm feelin' fadin', girl, you got me cacthin'
feelin's
Like I'm lovin' again tryin' to spread myself around
Now here you come with that body
This ain't fare, babe

Know what, know what, know what, know what
Well just talkin' to you wasn't supposed to be no thang
You know, you know, you know, you know
'Cuz I was just out there bein' me, doin' my thang

Know what, know what, know what, know what
And didn't even think twice about it, girl
Say what, say what, say what, say what
Fa'real I just thought you were anotha shorty

I thought you were jus anotha shorty I put the naughty
on
A hit it and quit and get gone, I was wrong
'Cuz you threw me for a look you know
Thought you were jus anotha shorty I put the naughty
on
But you got to me, can't you see, girl?
Damn, you threw me for a look you know, you know,
you know

I guess that's what I get for tryin' to play around
I pushed up on the wrong shorty, to put a little
somethin' on
I didn't see it comin', I was only thinkin' about me
I had to go get caught this time, now the tricks on me

Know what, know what, know what, know what
Well just talkin' to you wasn't supposed to be no thang
You know, you know, you know, you know
'Cuz I was just out there bein' me, doin' my thang

Know what, know what, know what, know what

I didn't even think twice about it, girl
Say what, say what, say what, say what
Fa'real, I thought you were jus anotha shorty, yeah

I thought you were jus anotha shorty I put the naughty
on
A hit it and quit and get gone, I was wrong
'Cuz you threw me for a look ya know
Thought you were jus anotha shorty I put the naughty
on
But you got to me, can't you see, girl?
Damn, you threw me for a look you know, you know,
you know

Jus anotha shorty I put the naughty on
Yes, now, jus anotha shorty I put the naughty on
You threw me for a look, you know, yeah

Jus anotha shorty I put the naughty on
Yes, I jus anotha shorty I put the naughty on
Thought you were jus anotha shorty I put the naughty
on
A hit it and quit and get gone, I was wrong
'Cuz you threw me for a look you know
Thought you were jus anotha shorty I put the naughty
on
But you got to me, can't you see, girl?
Damn, you threw me for a look you know, you know,
you know

Jus anotha shorty I put the naughty on
A hit it and quit and get gone, I was wrong
'Cuz you threw me for a look you know
Thought you were jus anotha shorty I put the naughty
on
But you got to me, can't you see, girl?
Damn, you threw me for a look you know, you know,
you know

Jus anotha shorty
Jus anotha shorty
Jus anotha shorty
Jus anotha shorty
Jus anotha shorty
