Then we pass 'em, when they show off them...

*[Verse 2:]*

Now shorty you know how I do when I'm off in the club  
Sipping apple juice too young to sip the bub  
With my whole crew, about ten or fifteen thugs  
All up in here, we not giving a what  
And then I spotted shorty, looking good and she's  
calling me  
Small jeans, cute, had on a baby-tee  
Looking like she want to get with me

*[Chorus:]*

Shorty! (whooooo) I came to get down  
Don't mess around in this party (whooooo)  
I'm grinding on you, you grinding me too  
Shorty! (whooooo) I'm feeling you, you're feeling me  
too  
I know that you're down and baby I'm down (in this  
party whooa)  
(I know that you're down and baby I'm down)  
Shorty!

*[Verse 3:]*

Shorty's dancing all over me  
I can feel the heat  
And girl you're sweet  
The way you're grinding to the beat  
OH!  
Baby drop it, nonstop  
Back it up, shake your butt

Bring it on, baby I can see your thong

OH!  
Now baby get in front of me  
I like the way you move your body  
The way you're looking at me  
Got me going crazy out of my mind

*[Chorus:]*

Shorty! (whooooo) I came to get down  
Don't mess around in this party (whooooo)  
I'm grinding on you, you grinding me too  
Shorty! (whooooo) I'm feeling you, you're feeling me  
too  
I know that you're down and baby I'm down (in this  
party whooa)

She love the club, c'mon!
