[Verse 1]

I, step off into the party like a real O.G.  
got about 40 or 50 girls behind me  
they all must be waiting for my pool party  
i'm just tryin to find the one with the biggest booty  
bathing suits, tight bikinis  
no alchol cuz i'm a little to you to drink  
got the crib to myself let me think  
what should i do?  
why don't ya'll tell me

[Chorus]

Ladies everywhere (hey)  
all the fellas everywhere (ho)  
got the crib to ourselves  
what should we do?  
hmmm  
it smells like a party

[Bridge]

La la la la la (hey)

[Marques Houston]

all the ladies put your hands in the air  
fellas dance to the beat c'mon

[Verse 2]

I got on all my ice made from Jacob the Jewler

i'm home alone feelin like Ferris Beuller  
mami you're fine but your friends much cuter  
it doesn't matter cuz no one's a loser  
so fresh so clean  
doing what i'm doing  
cuz there's this  
one chick i'm thinking of pursuing  
i can tell by her smile she's thinking the same thing  
so what should i do?  
why don't ya'll tell me

[Chorus]

[Bridge]

[Chorus]

[Bridge]

[Rap: Rufus Blaq]  
Yo mami lock your doors  
no more kids allowed  
pull up in big trucks  
it's me and Houston's crowd  
escalades, range rovers  
i put ??? in my clothes  
ice around my neck, wrist  
down to my toes  
hypnotic and henney  
see now you're messing with pros  
we can hide upstairs  
that little bikini dispose  
18 and under that's held down by O  
how we rock a jump off  
nobody has to know  
shhhhhhh

(Platinum status... TUG...B2K the whole family you  
know...MH)

[Chorus]
