Intro:

Pa pa pa dum pa pi dum pa pa pa di dum
Pa pa pa dum pa pi dum

Verse 1:

Can you change the fact
That you`re not wholly mine
Can you reach my soul
Without crossing the line
Can our love endure
Except through sacrifice
Can we learn to wait and see
If fate will hear us

Chorus:

Nooo, don`t you let it
Gooo, No...Don`t
Nooo, Don`t you let our love go
Nooo, Don`t you let it go!

Bridge:

And our love is strong
As the vault of heaven

I feel My heart
Is crying when we`re apart,
I feel My heart
Is crying when we`re apart.

Wah Pa pa pam, Pa da di dum dum duh duh di dum
Wah pa pa wah pam pam pa da buh
Don't you let it go!

Verse 2:

Do not ever
Conceal yourself from me
Never misjudge

The heart that`s faithfully
Is not our love
Trully heavenly
If fate will hear us
Guess will have to wait and see.

Chorus:

Nooo, don`t you let it
Gooo, No...Don`t
Nooo, Don`t you let our love go
Nooo, Don`t you let it go!
Nooo, don`t you let it
Gooo, No...Don`t
Nooo, Don`t you let our love go
Nooo, Don`t you let it go!
