Lyrics:

Intro:

Ooooooh...

Verse 1:

I remember when we used to walk
Under the moonlight sky on a lighted path
Looking in each others eyes
Making vows and beautiful lies
But now these days are gone
Exactly like you are
I want you to know
You're still the owner of my heart
I beg of you to give me
A second chance
And I promise it will be just like
Our first dance
You told me that last night you cried
Cause you had a bad dream
And thought that
Our relation died
It seems like it was yesterday
But it was so long ago
My heart still wants you back baby
But I don't know if yours does too,so!

Soooo...

Chorus:

Rent me a room in your heart
And let me stay
Cause I'll always pay
With my love (my love, love)
Operate on me with your love
And heal my illness

Verse 2:

Maybe some day
We'll meet again
Under the moonlight sky
On that same lighted path
Looking in each other eyes
Where we made vows
And told beautiful lies
You gave your heart to fools
A few times before
But they didn't know to treat it right
So you've trown them out
And searched for something more
Please let me back
Inside your heart
I promise that I'll always
Pay you with my love
My lo-o-ove
Ooooooh...
Sooooooo...

Chorus:

Rent me a room in your heart
And let me stay
Cause I'll always pay
With my love (my love, love)
Operate on me with your love
And heal my illness

Break:

Oh how I miss
Your big blue eyes
And your naked body
Lying on the bed
Besides me
On these hot but
Cold, cold lonely nights. So!

Chorus:

Rent me a room in your heart
And let me stay
Cause I'll always pay
With my love (my love, love)
Operate on me with your love
And heal my illness

And heal my illness
And heal my illness
