Well take whatever you need
strap it to my feet
and show me what you got lady
take whatever it is you need

Walk to your favorite place
some kind of lazy day
so walk to your favorite place
some kind of hazy day

Ya, come on take it or leave it
cause I don't mean it like I say it
you don't say it like you mean it

you don't say it like you mean it

cause I don't mean it like I say it
and you don't say it like you mean it

Ya i guess we should
so just take it or leave it
cause i don't mean it like I say it
and you don't say it like you mean it

Oh I'm sure we could
ya come on take it or leave it
cause i don't mean it like I say it
and you don't say it like you mean it

Ya i guess we should
ya come on take it or leave it
cause I don't mean it like I say it
and you don't say it like you mean it

Oh ya you seem quick on your...
