Oh, my love

Ha.

Oh, yeah

Oh, yeah

Settin' here alone invisible

Thinking 'bout the times that we have shared

Oh, my love

I'm looking at a picture in my hand

Tryin' my best to understand

I really wanna know what went so wrong

With a love that felt so strong

If only you were here tonight

I know that we could make it right

[Chorus:]

(I don't know how to live without our life)

I was born to make you smile

('Cause my yearning heart hasn't stopped yet)

I was born to make you smile

Always and Forever you and me

That's the way our lives should be

(I don't know how to live without your love)

I was born to make you smile

I know I've been a fool for lettin' you

Leave me like a heartache going off

Oh, my love

I better give it up then carry on

'Cause, living in this life of You and Me

It's killing me to see us both apart

If only you were here tonight

I know that we could make it right

[Repeat chorus:]

[Bridge:]

I'd do anything

I'd give you my heart

I'll wait forever

To Be your girl

Just call out my name
(Call out my name)
And I would be there
Just to show you how much I care

[Repeat chours x2]
