If I lift my head
From the bit of stars the ocean wide
If I call your name
Would you carry me on inside

And if I close my eyes
Let me put my faith in the whole design
Could you raise your voice up
feelin it whole together with mine

But I'm on my way
Yes I'm on my way
Said I'm on my way yeah
But I'm on my way

If I'm on my way now
I'm better for it all cause I'm moving on yeah
and whether they might say
I belong you can't say
yeah you can't say
I'm gone

But I'm on my way
Yes I'm on my way
Said I'm on my way yeah
But I'm on my way

I'll never find my way back here from anywhere
I'll never find my way back here from anywhere
I'll never find my way back here from anywhere
I'll never find my way back here from anywhere

But I'm on my way
Said I'm on my way

yes I'm on my way (I'm on my way)
Said I'm on my way (said I'm on my way)
yes i'm on my way (i'm on my way)
said i'm on my way yeah
but i'm on my way
