I'm holding on my breathe
You got me 12 feet off the ground
And I'm hearing what you say
But I just can't make a sound
You tell me that you love me
Then you go and break me down
But wait
You'er gonna tell me That You'er Sorry
Didn't think I'd turn around
And say...

[Chours:]
That it's too late to come back
It's too late
I said it's too late to get me back
It's too late
Too late

Oh, Yeah, Yeah-eh

I'd take another chance
Another day or night for you
I need you like a heart needs a beat
But this is nothing new
Yeah, Yeah
I loved you like a heart put together
But now it's broken up
You'er gonna say...
Sorry like an angel
Thought my nickname was so true
I hate to say

[Repeat chours:]

Whoa, Oh, Oh

[Bridge:]
I'm sorry
But I have to move on
I have to go and get my dreams I through away
Just for you

I wasted all my time
Just to get to be with you
Oh, Whoa, Oh, No
I used to love you
I used to miss you

I'm holding on my breathe
You got me 12 feet off the ground
