Uno, dos, cuatro, hit it!

[donkey..] here's some donkey, yo

She's into superstition
Black cats and voodoo dolls
I feel a premonition
That girl's gonna make me fall
[Here we go!]
She's into new sensation
New kicks in the candlelight
She's got a new addiction
For every day and night

She'll make you take your clothes off
And go dancing in the rain!
She'll make you live her crazy life
But she'll take away your pain
Like a bullet to your brain

Upside inside out
She's livin la Vida loca
She'll push and pull you down
She's livin la Vida loca
Her lips are devil red
And her skin's the color mocha
She will wear you out
Livin la vida loca
Livin la vida loca
She's livin la vida loca

[Hey donkey, thats spanish!]

Wake up in New York City
In a funky cheap hotel
She took my heart
And she took my money
She must've slipped me a sleepin pill

She never drinks the water
Makes you order French Champagne

[Shrek!]
Once you've had a taste of her
You'll never be the same
Yeah, she'll make you go insane

Upside inside out
She's livin la Vida loca
She'll push and pull you down
She's livin la Vida loca
Her lips are devil red
And her skin's the color mocha
She will wear you out
Livin la vida loca
Livin la vida loca
She's livin la vida loca

[Come on]
[aww!]
[Hold your lemon and mocha!]
[Bring it down!]

Upside inside out
She's livin la Vida loca
She'll push and pull you down
She's livin la Vida loca
Livin la Vida loca
She'll push and pull you down
She's livin la Vida loca
Her lips are devil red
And her skin's the color mocha
She will wear you out
Livin la vida loca
Livin la vida loca
Livin la vida loca
Livin la vida loca
