Donkey:

She's into superstition
Black cats and voodoo dolls

Puss in Boots:

I feel a premonition
That girl's gonna make me fall

Donkey:

She's into new sensation
new kicks in the candlelight
she's got a new addiction
for every day and night

Puss in Boots:

She'll make you take your
Clothes off and go dancing in the rain
She'll make you live her crazy life
But she'll take away your pain

Donkey and Puss in Boots:

Like a bullet to your brain!

Donkey:

Come on!

Donkey and Puss in Boots:

Upside inside out
She's livin la Vida loca
She'll push and pull you down
She's livin la Vida loca
Her lips are devil red
And her skins the color of mocha
She will wear you out
Livin la Vida loca
Livin la vida loca
She's livin la vida loca

Puss in Boots:

Whoaaaaa, ohhhhh, ohhh, ohhhh, ohhh, ohhh, ohh

Donkey:

Alright we're gonna break this down now ya'll

Donkey and Puss in Boots:

Upside inside out

She's livin la Vida loca

She'll push and pull you down

She's livin la Vida loca

Her lips are devil red

And her skins the color of mocha

She will wear you out

Livin la Vida loca

Donkey:

Come on!

Donkey and Puss in Boots:

Livin la vida loca

Donkey:

Come on!

Donkey and Puss in Boots:

She's livin la vida loca
