Average day in the life of Sic I'll
And they wanna know how I'm livin/
I'm Sic ill, and this is a track off my new cd epidemic
I want you to listen to it
And tell me what you think about it

It's sic
To think that this is it
Or is it
You wanna know, they want it so

CHORUS

Everybody wanna know, I'll tell you how I'm Livin
No Flashy cars and tinted windows, woman aint givin
Not every citizen here should share this vision
Perfect flow, hypnotisizin masses the mission

Relentless acts, even superior tracks
Look my imperial technique will slave u
Relax, listen
I'm glocoma, told I mess up ya vision
Cut off heads, presion incision like circumsision

Dismissable enemies, all my allies invisible
Feesable as tools that bite bark a pitbull

Just drool gather funds, maybe liquidize
Two thighs movin sides cause re-energize

And these lies that penalize I analyze
Fantasize on computer screens don't minimize

Yea I'm wise I rock crowds in scrub, ties
On weekends I ride, Seattle/Portland I spy and try

I'm tired of battlin my own self
Paranoia from marijuana hurts my wealth

Without wealth to conquer with unlimited stealth
These hustlin genetics 100 percent philadelph

CHORUS

Everybody wanna know, I'll tell you how I'm Livin
No Flashy cars and tinted windows, woman aint givin
Not every citizen here should share this vision
Perfect flow, hypnotisizin masses the mission [its sic]

BRIDGE

Real in this rap game
Bet I keep the fire/flame, entertain
Pitchfork and the propane
Hellfire have you seein Kobain, insane

I'm so atrocious look it's killin you
I'm tellin you ferociously embarrass you
Compared to average I'm 3.14 [true] + 2
Battle you aint got the guts to
Disgust, how much we get them lips to discuss
They lust, on point pacific mammoth tusk
Left in the dust all this new age pop ish
Possibly thoughtless, freshcoast we got this

Stop stressin glue an S on the chest
Teflon vest, still my steel - ingest
Rap hard like an Elf to the death
Real hip hop, love the life, it's the best

CHORUS

Everybody wanna know, I'll tell you how I'm Livin
No Flashy cars and tinted windows, woman aint givin
Not every citizen here should share this vision
Perfect flow, hypnotisizin masses the mission [its sic]
