Uh...

Yea...

Ok...

(Verse 1)

This is how we start this jam
Shake it like jelly
Bang your head as a ram
Or do it like they do it on the TV cam
All censored, what's this Vietnam
Woodbrook, Tillicum, Steilacoom see a pelican
Coyote in Burien. Pitchblack I'm Furien ["Pitch Black"
reference]
In a club atmosphere. Is it Masa or Vanity?
It's friday I'm gettin faded
Losin my sanity
Girls in groups - Danity
Driven whips bruh. Danika
You a singer, I'll be your manager
Girls under 21 drinkin, Ain't Canada

(Chorus)

Downtown. Music for tippy
Be gettin nutty, Leave em crunchy Jiffy
Settlin to be Exquisite [Sic says it Exsuiqite - switchin
the s and q]
Maybe wine today
Pink Elephants
Budweiser brew, tall cans in two
Mixed drinks, Can tell the colors blue
Not recommended for celibate
Maybe clear today
Pink Elephants
Aint no Dumbo, I'm good as gumbo
In street Kimbo, but twice as humble
But it aint relevant
When I'm lookin faded
Pink Elephants

Pink Elephants. Pink Elephants
Pink Elephants. Pink Elephants

Pink Elephants. Pink Elephants
Even on the dark. Pink Elephants

(Verse 2)

Varsity Grill see mini skirts
Comedy show. That funny flow
Pink Elephants in the air
Turnin wobblin.
Lord of the rings
Cuz they goblin
We got the hotties in the front
Doin little dances
Hop on stage. Dodge security. Takin chances
Like gettin risky
No designated and tipsy
Wear a suit and ties
Still mistakin me for Nipsey
Low to the dance floor
After 6 Jelly shots
Feelin like a man whore
Sweatin hot
You can't afford the fancy
Let em pour some wells
Oh the sell it at Top Foods, that's swell. Hell
Can't drive parallel. Double L's
Pink Elephants lookin like carousel
Talk to Mo bartenders, no duff
Couple pitchers pabst, it might not be enough

(Chorus)

Downtown. Music for tippy
Be gettin nutty, Leave em crunchy Jiffy
Settlin to be Exquisite [Sic says it Exsuiqite - switchin
the s and q]
Maybe wine today
Pink Elephants
Budweiser brew, tall cans in two
Mixed drinks, Can tell the colors blue
Not recommended for celibate
Maybe clear today
Pink Elephants
Aint no Dumbo, I'm good as gumbo
In street Kimbo, but twice as humble
But it aint relevant
When I'm lookin faded
Pink Elephants

Pink Elephants. Pink Elephants
Pink Elephants. Pink Elephants
Pink Elephants. Pink Elephants
Even on the dark. Pink Elephants
