Blocka blocka blocka
really since the minute I popped up
Had to be lyrical shota
Taking shots at these imposters
And I ain't gone say no names
But all these dudes lames
And Imma be the rapper tryin to take advantage of
these other rappers tryina step up in my lane ..bang!
How u Gone run from a youging
Kids we got more stamina
See these rappers posing, I ain't even seen no cameras
I ain't got no time
And I ain't got no patients
For these fakers see lets face it imma legend in the
making

See I'm top notch i cannot flop
Tried shot shot
But I shot block
What I gotâ€™s hot
I'm in the top five
That pop pop will not fly
Red dot on your career
I ain't Lying I'm for real
It's my time
So if I die then I'll die how PAC died
Really imma a little bit reckless
From the minute that I step up in this section dont test
me
Throw a quarter in the fountain make a death wish
I don't listen to that clichÃ©
I listen to he say she say

Cause he and he say that I'm the best
And I'm only Teenage, huh
