Lotus Flower Bomb  
Fireflies  
When I'm low  
She take me high  
Let me teach you all the signs of love

Serg Baby

Flower bomb

Bomb

It's like a drug

Drug

I need another hit I can't get enough  
It's all because  
I'm so addicted to ya

I don't wanna lose this feeling

I go down  
I go deep  
I go easy  
We never sleep

Like fires blazing

Oh it's amazing

We living in a fantasy  
I feel it when you dance with me  
It's feeling like you need to be  
My lady  
My baby

Cant you see  
I'm talking bout eternity  
Tell me if you care to be  
My lady  
My baby

Ooooo

Damn that was close  
I almost overdosed

Ooooo

I relapse again  
Rushing through your body like some heroine

You know we can do  
Whatever you wanna  
Girl it's up to you  
You know how you want it

I'm so gone  
Your my lotus flower bomb

We living in a fantasy  
I feel it when you dance with me  
It's feeling like you need to be  
My lady  
My baby

Can't you see  
I'm talking bout eternity  
Tell me if you care to be  
My lady  
My baby

Cuz I want you and you want me  
I just wanna be inside ya body  
I want you and you want me  
Let me teach you all the sounds of love

Serg baby
