Look in your eyes tells me tonight you really want it bad
but you'd rather fight
I can't deny what I feel inside we want the same thing
you know what I like

Shirt off
Pants off
You with nothing
Heels on
Want it afternoon
We do it all night long

Just say yes
We both know what we came to do tonight
So don't say no no no
Just say yes
You want me just as bad as I want you
So don't say no no no

Just say yes
Just say yes
Just say yes
Just say yes

Just say yes
Just say yes
Just say yes
Just say yes

What are we waiting for when we already know what we
came to do
We're gonna get it on on
Baby tell me when your ready to take this love

Shirt off
Pants off
You with nothing
Heels on
Want it afternoon
We do it all night long

Just say yes

We both know what we came to do tonight
So don't say no no no
Just say yes
You want me just as bad as I want you
So don't say no no no

Just say yes
Just say yes
Just say yes
Just say yes

Just say yes
Just say yes
Just say yes
Just say yes

Girl there's no need for you to act like you ain't here for
love

Here for love
Here for love
Here for love

And there's no need for you to act like this wasn't what
you want

I know what you want
I know what you want
I know what you want

Girl take it all off put it on me
Climb on top girl don't stop
And baby don't be scared
Don't be scared
Here I am
Come over here
Take it
Take it

Just say yes
We both know what we came to do tonight
So don't say no no no
Just say yes
You want me just as bad as I want you
So don't say no no no

Just say yes
Just say yes
Just say yes
Just say yes

Just say yes
Just say yes
Just say yes
Just say yes

Serg baby
Oh oh
It's Serg baby
Oh oh
It's Serg baby
