Desires
designed
online,
she can custom fit any fantasy.

Her style,
her vibe,
her hard drive,
she's a Russian made, cybernetic freak.

She arrived
on time,
I took her inside,
slowly stripping all her packaging.

From her head
to her thighs,
she looked so right,
better than the perfect design.

My chest starts thumping, my blood starts pumping
when her eyes start shooting around.

Her eyes, her eyes so life like.
I'm never going human again.

She's a beautiful machine,
plug her in, charger her up, turn her on, she'll never
stop
reinventing sexuality,
plug her in, charger her up, turn her on, she'll never
stop
anna.
She's a beautiful machine,
anna.

She can ride
and ride
all night.
Self lubricating polyurethane

And when I close my eyes

i swear that she's alive

She's real and she's feeling the same

Her chest is thumping, her blood starts pumping and
my eyes start rolling around

She rides

She rides

a - all night.

I'm never going human again.
