Oh Yeah

Sweat drips out of every pore, the night is hotter than hell.

Sheets spark, set the walls on fire in this old motel.  
Oh yeah.

A little pain brings the pleasure alive, don't stop when I say no.

She can hypnotize with one look in your eye, she's got me begging for more.

Oh yeah

Oh yeah

I want your hands, I wantâ€¦!

I want your lips, I want..

I want you all over me.

I want it all, I want it all.

I want you, I want you, I want you, I want you

Oh Yeah

(I want you all over me)

A cigarette while I catch my breath, she's got a dirty mind.

She grabs my hair and pulls me to the floor. She wants to go all night.

Oh yeah

Oh yeah

I want your hands, I wantâ€¦!

I want your lips, I want..

I want you all over me.

I want it all, I want it all.

I want you, I want you, I want you, I want you

Oh Yeah

(I want you all over me)

Up and down, up and down, she's getting off and I spin her around.

She's going down going down down down.

She's got a dirty mouth, and she screams so loud.

I want your hands, I wantâ€¦  
I want your lips, I want..  
I want you all over me.  
Banging our hips while I hold down your wrists,  
begging you begging you please.  
I want it all, I want it all.  
I want you, I want you, I want you, I want you  
Oh Yeah  
(I want you all over me)
