Sexy hair, gorgeous smile  
He's the most perfect guy I've come across, in a while  
Sensitive, real sweet  
He even watches Desperate Housewives, with me  
My hearts beating like a mini drum, I told my best-  
friends he's the one  
I said I think that I'm in love this time, they told me  
something that could change my mind

He likes boys, finally now it's all making sense  
He likes boys, I like this guy but his on the fence  
He likes boys, I cant believe this happened again  
He likes boys ooh oh oh boys ooh oh oh

Manicured finger-tips, he dresses like an American  
Apparel mannequin  
Guess it is kind of odd, that he such a big fan of Lady  
Gaga-Ah  
My hearts beating like a mini drum, I don't believe he  
would lead me on  
But now I'm starting to see all the signs, Is it true? Have  
I lost my mind?

He likes boys, finally now it's all making sense  
He likes boys, I like this guy but his on the fence  
He likes boys, I cant believe this happened again  
He likes boys ooh oh oh boys ooh oh oh  
He likes boys, finally now it's all making sense  
He likes boys, I like this guy but his on the fence  
He likes boys, I cant believe this happened again  
He likes boys ooh oh oh boys ooh oh oh

I dont think I could take this kind of rejection  
I guess it's time to take it in, my gaydar needs some  
inspection  
I felt him and me, were the perfect we  
I guess i'll move on to plan B  
We both like vintage shopping, And we both like BOYS!

We likes boys, finally now it's all making sense  
We likes boys, It's a lost story with a twist  
We likes boys, found my new gay best-friend

We likes boys, finally now it's all making sense  
We likes boys, It's a lost story with a twist  
We likes boys, found my new gay best-friend
