It's only gunna get better
It's only gunna get right
~Cause when I borrow your sweater
It's all alright!
It's only gunna get happenin'
~Cause I got one foot in your door
And when you told me you love me
I love you more, I love you more

Cause all I ever needed was a little bit of lovin'
Yeah, a little bit of lovin' goes a long way
Cause all I ever needed was a little bit of lovin'
Yeah, a little bit of lovin' goes a long way
Cause all I ever needed was a little bit of love
A little bit, a little bit, a little bit of love

It's only gunna get crazy
If you let me give ya away
Cause when you call me your baby, It's all okay
It's only gunna get messy
If you anit got dirt on your floor
And when you told me you want me
I want you more, yeah I want you more

Cause all I ever needed was a little bit of lovin'
Yeah, a little bit of lovin' goes a long way
Cause all I ever needed was a little bit of lovin'
Yeah, a little bit of lovin' goes a long way
Cause all I ever needed was a little bit of love
A little bit, a little bit, a little bit of love

All I ever needed was a little bit of love
A little bit, a little bit, a little bit of love

(Hmmm)
You gotta-gotta give me love (gotta-gotta give me love)
You gotta-gotta give me love (gotta-gotta give me love)
You gotta-gotta give me love (gotta-gotta give me love)
You gotta-gotta give me love (Hmmm)
You gotta-gotta give me love

All I ever needed was a little bit of lovin'
Yeah, a little bit of lovin' goes a long way
Cause all I ever needed was a little bit of lovin'
Yeah, a little bit of lovin' goes a long way
Cause all I ever needed was a little bit of love
A little bit, a little bit, a little bit of love
Cause all I ever needed was a little bit of love
A little bit, a little bit, a little bit of love
Cause all I ever needed was a little bit of love
A little bit, a little bit, a little bit of love

A little bit, a little bit, a little bit of love
